RE: Youth Camp Sponsorship

To whom it may concern:

**SEP Montana Youth Camp is a non-profit week-long overnight summer youth camp for kids age 8-17 located on Canyon Ferry Lake.** The camp is staffed by an all volunteer staff - mostly volunteers from the Helena area - and can currently hold a maximum of **128 kids** per session. 2017 will be our 11th year in operation in Helena. (We started with a total of 15 kids in 2007)

Approximately 1/2 of our kids are financially sponsored by community organizations and individuals. Samples of organizations who have been SEP Montana sponsors in current and/or previous years include organizations such as the following:

Staples	Water Fun Rentals	Power Townsend
Collision Pro	High Country Growers	Living Hope Fellowship
Johnson & Associates, Inc.	Meineke Car Care Center	Valley Bank
McDonalds of Helena	Hampton Inn	Great Northern Hotel
Robert Allen Nissan	Tizer Meats	Silver Star Restaurant

**We are raising funds to help cover scholarship costs for 70 kids who request scholarships to attend camp (\$12,250.00). The cost is \$175/child for the session.**

**Would you consider helping by making a donation to our camp store to support our fundraising efforts?**

Thank you so much for your consideration.

Sincerely,

Tobe Johnson, Director  
(SEP: Summer Education Program)
